

Impact a child's life

Become an After School Champion

Let's work together to open the door to Great Futures for the youth of Cascade County.
Here are some ways you can make a difference:

Give Financially

Throughout the pandemic, we have seen an increased need for program scholarships and lower program costs in order to ensure youth who need us most can participate. Additionally, we have had to cancel major fundraisers the last two years. When you support the Clubs by giving financially, you ensure we can meet developing needs in our community.

Give Your Time

You can mentor our kids directly, assist the program practically behind the scenes with a variety of tasks, or advocate for our kids as a board committee member.

Help Fulfill Our Wish List

We always have a list of things we need around the Club & items our members would love to have.
